Re: Permit Review Status, Brown's Canyon Rock Quarry Mine, M/043/021, Summit County, Utah

Dear Mr. Willes:

On December 9, 1999, the Division received BMW Stone, Inc.'s plan for the Brown's Canyon Rock Quarry mine. Due to a backlog of other permit reviews, the Division has not been able to complete a review of this plan within the usual 30-day timeframe. We apologize for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 45-60 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

A handwritten signature in cursive script that reads "Joelle Burns".
